5.4.2 Any equipment installed or provided by or on behalf of the Company for the purposes of providing the Network Service (excluding for the avoidance of doubt any Equipment purchased under a Contract by the Customer for which condition 4 applies) shall at all times remain the property of the Company and shall be returned to the Company forthwith upon request. Condition 4.3 shall apply to such equipment and for the purposes of this condition 5.4.2 only such equipment shall be deemed Equipment under those conditions. The Customer shall be liable to the Company for all losses, costs and expenses incurred by the Company for the recovery, replacement or repair of such equipment (save to the extent that the same is caused by the fault of the Company).

5.4.3 Unless stated otherwise on the Order Form, if the Customer takes a line rental from the Company, the Customer is also committed to using the Company for calls over that line. Should the Customer (during the applicable Minimum Term) use an alternative carrier for calls once the Contract for the provision of the telephone line has commenced, or prevent the Company from carrying calls in any monthly period so that the call charges are significantly reduced in comparison to the Customer's previous average invoicing profile, the Customer agrees that the Company may charge the Customer the differential between the average monthly spend on calls prior to such commencement or prevention and the subsequent monthly spend on calls (if any).

5.4.4 The Network Services are provided solely for the Customer's use and the Customer's cannot resell or attempt to resell the Network Services (or any part of them) to any third party. In addition, if the Customer has a mail server, the Customer must not allow relay emails from outside its domain from the Customer's mail server.

5.4.5 The Company does not warrant or guarantee the accuracy or completeness of any of the information, sound, video, software and/or any other materials (in whatever form) which may be accessible by the Customer from any other person once it has the Network Services (the "Content") or any further information or results which may be derived from it. The Customer acknowledges that, the Content is outside the control of the Company and the Customer will not rely on any Content in making any business or other decision and that the Customer uses of the Content is at its sole risk.

5.4.6 The Customer acknowledges that the Content may be protected by copyright, trademark and other intellectual property rights, as applicable. The Customer will not and will not permit anyone else to copy, store, modify, distribute externally, broadcast or publish any part of the Content, and the Content may only be used for the Customer's own purposes.

5.4.7 The Customer is entirely responsible for evaluating any goods or services offered by third parties via the Services or on the internet. The Company will not be a party to or in any way be held responsible to the Customer for any transaction between the Customer and third parties.

5.4.8 The Customer warrants, represents and undertakes that any information the Customer makes available on their website, both the Customer's ("Customer Information") or that of a third party ("Third Party Content") is and will remain wholly accurate and will not include any information or material, any part of which, or the accessing of which or use of which, would be a criminal offence or is otherwise unlawful.

5.4.9 The Customer also warrants, represents and undertakes that it will comply with all consumer and other legislation, instructions or guidelines issued by regulatory authorities and relevant licences which relate to the provision of the information on the Customer's website including those notified by the Company to the Customer.

5.4.10 Both parties agree to fully co-operate with the Police and any other relevant authorities (including but not limited to the Inland Revenue, Trading Standards, the Information Commissioner and/or OFCOM and their successors from time to time) in connection with any misuse or suspected misuse of the Network Services, and the Customer consents to the Company co-operating with any such authority and with any other telecommunications operators in connection with any misuse or suspected misuse or suspected fraudulent activity related to or connected with the Network Services and agrees, without prejudice to the generality of the foregoing, that the Company will be entitled to divulge the name and address and account information relating to the Customer to such third parties.

5.4.11 The Customer acknowledges that the broadband element (if any) of the Network Services is provided to other users and the Company owes a duty to these users as a whole to preserve its network integrity and avoid network degradation. If, in the Company's reasonable opinion, the Company believes that the Customer's use of the Services has or may adversely affect such network integrity or may cause network degradation the Company may change the Customer's chosen access rate or manage the Customer's Services as the Company sees fit in the circumstances.

5.4.12 To prevent spam from entering and affecting the operation of the Company's systems and the Network Services, the Company may take any reasonable measures or actions necessary to block access to, or delivery of, any e-mail which appears to be of an

unsolicited nature and / or part of a bulk e-mail transmission. The Company may also use virus screening technology that may result in the deletion or alteration of e-mail and or e-mail attachments. The Company gives no warranties whatsoever that such technology will be effective in any way, including (without limitation) against unsolicited emails or against any viruses, worms, Trojan horses or other programs or devices that are apparently intended to access and modify, delete or damage data file(s) or computer program(s).

5.4.13 To enable Customers to have a better understanding of what is and is not acceptable when using broadband products, and to help them get the best out of the internet, the Company has developed a Broadband Acceptable Use Policy relating to the broadband element of the Network Services. The Customer shall comply with the Broadband Acceptable Use Policy. The Company may change the Broadband Acceptable Use Policy at any time by publishing the changes on its website (www.daisygroup.com) or at such other URL as is notified to the Customer by the Company from time to time) thirty days before the change is to take effect.

5.4.14 The Customer acknowledges that, in order to use the broadband element (if any) of the Network Services, the Customer needs an existing telephone line (if not provided under the Contract) and a personal computer (PC) of a minimum specification suitable for the application. The Customer is responsible for ensuring that compatible cables and extension leads are used to and from their telephone socket, modem and PC in order to use the Service.

5.4.15 In circumstances where the Customer receives only the broadband element of the Network Services from the Company, the Customer remains responsible to make payment to the Customer's fixed line telephony services provider for all rental charges relating to the Customer's relevant telephone line (together with any repair and maintenance charges (unless the relevant damage was caused by the Company's negligence)) and all call charges from the Customer's fixed line telephony service provider.

5.4.16 The Customer agrees that PhonepayPlus may monitor any End User Service at any time.

5.4.17 In respect of each End User Service which requires the approval of PhonepayPlus pursuant to any regulation or code of practice, the Customer shall, before such End User Service (or any change thereto) is made available to callers, submit to the Company written evidence of such approval.

5.4.18 The Customer will not misuse the Network Services in any way and will use all reasonable endeavours to ensure that the number of telephone calls made to the Number(s) do not significantly exceed the Customer's capability to answer such calls or cause congestion (the existence of congestion to be reasonably determined by the Company taking into account normal levels of traffic on the network). Where the Company notifies the Customer of the occurrence of any such congestion or misuse, then the Customer shall immediately take all reasonable steps (which shall include, but not be limited to, arranging additional network capacity, adjusting the Customer's promotional activities or using call bureau, for the relevant period) to prevent such congestion and/or misuse continuing.

5.5 TRANSFER FROM THIRD PARTY SUPPLIERS

5.5.1 Where the transfer of lines and services from third party suppliers is selected by the Customer on the Order Form, then the provision of any and all relevant existing services supplied to the Customer by such third party supplier will be automatically

transferred to the Company and charged for in the Company's invoices in accordance with the Tariff.

5.5.2 The Customer hereby acknowledges and accepts that it is the Customer and not the Company who is liable for any charges (including without limitation any early termination charges) made by third party suppliers for any transfer of lines and services or otherwise, unless it is clearly identified and agreed in writing on the Order Form at the time of the Company formally accepting such Order Form that the Company will pay for specified charges.

5.5.3 If the Customer is migrating to the broadband element of the Network Services from a third party provider of an alternative broadband service, the Customer will need to obtain a Migration Authorisation Code ("MAC") from that service provider. This MAC will be valid for thirty days from the date of issue and can only be used once. It is the Customer's responsibility to obtain the MAC and to ensure that the Customer provides it to the Company in sufficient time to process the Customer's migration. The Company will not be responsible for any delay, costs, expenses, loss or damage arising through failure to connect the Customer to the broadband element of the Network Services as a result of the Customer's failure to provide the MAC as required by this condition.

5.6 SUSPENSION OF NETWORK SERVICES

5.6.1 Without prejudice to any other right of the Company to suspend or terminate the Services under these Conditions, the Company may at its sole discretion elect to suspend forthwith provision of the Network Services until further notice without further liability to the Customer having given the Customer reasonable notice either orally (confirming such notification in writing) or in writing in the event that:

- (a) the Customer is in breach of a material term of these Conditions and/or the Contract and/or any other contract between the parties from time to time including but not limited to the Customer's failure to pay the Price and/or the Charges (or any of them) to the Company on the due date or to comply with the Broadband Acceptable Use Policy;

- (f) any maintenance or repair is necessary or required to the relevant network or related systems or equipment (for the avoidance of doubt, in the event of emergency maintenance or repair, the Company shall not be required to give any advance notice)

5.6.2 The Customer shall reimburse to the Company all reasonable costs and expenses incurred by the implementation of a suspension pursuant to condition 5.6.1 and/or the recommencement of the provision of the Network Services as appropriate, save in the case of a suspension, pursuant to condition 5.6.1(b).

5.6.3 Without prejudice to any other right of termination under these Conditions, the Company may terminate the Contract for Network

Services forthwith in the event that its right or the right of the relevant Carrier to provide the Network Services is withdrawn by any supplier to it or OFCOM pursuant to the General Conditions or otherwise.

5.6.4 On termination of the Contract for any reason the Customer shall have no further entitlement to receive any further Call Commissions and shall permit the disconnection of any Number from the Network Services.

5.7 VOICE OVER INTERNET PROTOCOL (VOIP) NETWORK SERVICES

5.7.1 Any Contract for VOIP services which results from an order accepted by the Company, pursuant to condition 2.1 is conditional on the Customer acknowledging and accepting that:

- (a) the VOIP service may not offer all the features or resilience the Customer may expect from a conventional phone line; and
- (b) the VOIP service may sometimes be limited, unavailable or disrupted due to events beyond the Company's control e.g. power disruptions, failures or the quality of any connection;
- (c) wherever possible, alternative arrangements should be made by the Customer and a primary telephone line maintained;
- (d) if the Customer uses the VOIP service to make Emergency Calls, the location information received by the emergency services will be limited to the installation address of the Site, which may not be the location from which the call originated;
- (e) Emergency Calls made using the VOIP service may fail if there is a power failure or connection failure;
- (f) the ability for the Customer to make Emergency Calls cannot be guaranteed;
- (g) it will not be possible to make Emergency Calls if the Company has suspended or interrupted the VOIP service for any reason;
- (h) the Customer shall be required to provide/confirm his location when making a VoIP originated Emergency Call to enable the correct emergency organisation to respond;
- (i) a VoIP originated Emergency Call will not receive the same network priority at all points on the network as that which an Emergency Call made on a mobile network or on a circuit-switched fixed line will receive; and
- (j) the call quality is more akin to that experienced when making a call from a mobile network service to another mobile network service and this means that the is typically less than the quality experienced on a traditional land line.

5.7.2 The Customer shall not use the bandwidth allocated to the VOIP service for any other purpose other than making and receiving VOIP Calls, should this prohibition not be complied with it is likely that the quality and availability of the VOIP services shall be materially reduced.

5.8 PUBLISHING OF CUSTOMER DETAILS

5.8.1 If applicable and unless the Customer requests that the Company does not do it, the Company will, as soon as is reasonably practical, publish the Customer's name address and the telephone number for the Network Service in the relevant phone book serving the Customer's area and make the said telephone number available from a directory enquiries service.

5.8.2 If the Customer requests a Special Entry to be placed in the relevant phone book issued by the Carrier it must inform the Company at the earliest available opportunity. Where the Company agrees to use its reasonable endeavours to register a Special Entry, the Customer may be required to pay an additional charge and sign a separate contract in respect of that entry.

5.9 DISPUTE RESOLUTION

5.9.1 The Company will attempt to resolve any dispute that the Customer may have with the Company. Any disputes must be notified by the Customer to the Company in accordance with the complaints procedures at www.daisygroup.com (or at such other URL as is notified to the Customer by the Company from time to time). If the dispute cannot be resolved within 8 weeks of the Customer raising the dispute with the Company (pursuant to those procedures) then the Customer may refer the matter to:

6.4 DISCONTINUED SERVICES

6.4.1 Without prejudice to condition 14 or any other right of suspension or termination of Services under these Conditions, the Company shall have the right to discontinue the Maintenance Services in respect of specified Equipment (without further liability to the Customer) in the event that the Company's supplier and/or the manufacturer has ceased to supply such Equipment provided that the Company shall notify the Customer as soon as reasonably practical after it is aware of any cessation in supply of the Equipment and shall arrange with the Customer to either terminate the Contract or replace or upgrade the affected Equipment at the Customer's expense.

6.4.2 Without prejudice to condition 14 or any other right to terminate any Services under these Conditions, the Company shall have the right to terminate forthwith the supply of the Maintenance Services (without further liability to the Customer) in the event that any necessary approvals required by the Company to maintain any of

6.5.4 it will not permit alteration to call routing apparatus or extension wiring except by the Company, or by the Company's authorised agents, save that in relation to the connection of other apparatus to the Equipment, such connection may be performed by another person at the Customer's expense if either

(a) the Company so agrees in writing, or

(b) the Company fails to carry out the connection itself within twenty-eight days after receiving written notice from the Customer stating that the Customer wishes specified apparatus to be so connected and naming that other person by whom the Customer wishes the connection to be performed;

6.5.5 it will appoint at least one member of its staff as a "**Principal Operator**", who will be trained in the use of the Equipment. The Customer will ensure that such Principal Operator is available to carry out the instructions in the User Instructions and to liaise on Maintenance Services matters with the Company;

6.5.6 it will not employ or permit a third party to make any alterations to the programming or physical structure of the Equipment;

6.5.7 it will ensure that the environmental conditions for the Equipment are maintained in accordance with the User Instructions;

6.5.8 if the Equipment is not (immediately prior to the Commencement Date) either already maintained by the Company or within the scope of an express warranty given by the supplier thereof, then the Company may at its discretion inspect the Equipment and undertake such repair work as may be necessary to put the Equipment in good working order. The Customer shall pay for such inspection and repair at the Company's then current charge rates applying at that time, and such payment shall be in addition to the Annual Support Charge.

6.6 CHANGE OF LOCATION

6.6.1 The Customer will not move any of the Equipment, nor remove the Equipment from its location as at the Commencement Date without the prior written consent of the Company, (such consent not to be unreasonably withheld). Where the Company consents to such relocation, the Company shall provide a relocation and installation service, the cost of which shall be paid by the Customer in accordance with the Company's then current Charges applying at that time, and such payment shall be in addition to the Annual Support Charge.

7. CONSULTANCY SERVICES

In the event that the section relating to Consultancy Services is completed on the relevant Order Form, this condition 7 shall apply to the Contract.

7.1 DURATION OF CONSULTANCY SERVICES

7.1.1 Any Contract including the provision of Consultancy Services based on an order which is accepted by the Company pursuant to condition 2.1 is, until the Commencement Date, conditional on the Company providing confirmation by email to the Customer that the terms stated on the Order Form of the applicable Contract for Consultancy Services do not contain any errors or omissions. Subject to this condition 7.1.1 and in consideration of (and subject to) the payment of the Consultancy Charges by the Customer, the Company shall supply to the Customer the Consultancy Services in accordance with the Contract.

7.1.3 The Customer may terminate the Contract in relation to the Consultancy Services by giving ninety days' notice in writing to the Company, such notice to become effective no earlier than the expiry of the Minimum Term or upon each anniversary of such date thereafter (as applicable).

7.2 PROVISION OF CONSULTANCY SERVICES

7.2.1 The Company undertakes to use reasonable endeavours to provide the Consultancy Services to the Customer subject to these conditions.

7.2.2 The Customer undertakes to co-operate with the Company in all matters relating to the Consultancy Services and undertakes to comply with reasonable requirements or instructions of the Company and promptly give the Company all such information as it may reasonably require in connection with the provision of Consultancy Services to the Customer.

8. FINANCE AND CREDIT

8.1 The Customer hereby consents to and shall procure that its owners, directors, officers and assigns consent to, the Company carrying out searches with credit reference agencies relating to the credit worthiness of the Customer and/or its owners, directors, officers and assigns and the Customer undertakes to supply or procure the supply of all information requested for a credit search with a credit reference agency, who will add to the Customer's records and/or those records of its directors, officers and assigns details of the searches and these will be seen by other organisations that make searches.

8.4 In the event that the Company is unable to obtain relevant finance on the terms originally proposed then the Company shall return the deposit received from the Customer for the relevant Equipment without further liability to the Customer.

8.5 Where third party indemnities are required by a relevant finance provider, failure to provide such indemnities shall constitute a breach of these Conditions by the Customer and shall entitle the Company to retain any deposit paid by the Customer.

8.6 After Delivery and Installation (where applicable) is completed any failure by the Customer to complete any relevant finance agreement documentation shall render the Customer liable to pay to the Company the whole of the Price as defined in condition 9.1.2 within seven days of presentation of an invoice.

9. PRICE AND CHARGES

9.1 EQUIPMENT

9.1.1 Save where, and to the extent that, any Promotional Terms apply, the Price is as stated on the Order Form and is exclusive of VAT or any other tax or duty payable. The amount of such taxes or duties shall be added to the Price and shall be payable by the Customer in the same manner as the Price. Any invoices issued by the Company in respect of the Price shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

9.1.2 Unless otherwise specified the Price is based on the assumption that the Delivery of the Equipment and (where applicable) Installation Services will be completed in one continuous visit to the site agreed with the Customer and accordingly the Company may at its discretion at any time increase the Price to take account of any additional costs to the Company (including but not limited to storage and delivery costs) by reason of Delivery and/or the Installation Services taking more than one visit.

9.2 NETWORK SERVICES

9.2.1 Save where, and to the extent that, any Promotional Terms apply, the Charges will be as detailed in the Tariff or unless, and as, stated on the Order Form.

9.2.2 The Company shall have the right to alter the Charges from time to time by publishing changes to the Tariff at www.daisygroup.com (or at such other URL as is notified to the Customer by the Company from time to time):

(a) at least thirty days prior to the change taking effect in the event of changes which may be of material detriment to the Customer; and
(b) as soon as is reasonably practical in the circumstances prior to the change taking effect, for all other changes,

and if the Customer wishes to object to any proposed change which is of material detriment to the Customer, then the Customer must notify the Company in writing (addressed to Customer Services, Daisy Communications Limited, Daisy House, Lindred Road Business Park, Nelson, BB9 5SR) within thirty days of publication of the proposed change, otherwise the Customer will be deemed to have accepted the proposed change. For the avoidance of doubt, the service by the Company of any notice in accordance with condition 9.2.2(a) shall not constitute either acceptance of or an admission by the Company that any proposed change is of material detriment to the Customer, nor shall the service of notice by the Customer under this condition constitute or be deemed to constitute evidence that the relevant change is of material detriment to the Customer.

9.2.3 Usage charges payable shall be calculated by reference to data recorded or logged by the Company and not by reference to any data recorded or logged by the Customer. Any invoices issued by the Company in respect of the Charges for Network Services shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

9.2.4 Line rental is payable from the Connection Date.

9.2.5 If the Customer has agreed to a Monthly Minimum Call Spend and at the end of any month, the Customer has not incurred the Monthly Minimum Call Spend, or if the Customer terminates the

Contract in any way other than pursuant to condition 14, the Customer will be liable to pay to the Company, the difference between the Charges incurred during that month in relation to call spend and the Monthly Minimum Call Spend.

9.2.6 The Company reserves the right to apply a monthly minimum threshold on call spend of at least £10.00 per Customer account (or such other sum as notified to the Customer by the Company in writing from time to time), to keep the account operating at a viable level. This charge shall only apply to the telephone services element of Network Services.

9.2.7 Call Commissions

(a) Subject to paragraphs (d) and (e) below, the Company will pay Call Commissions to the Customer in respect of calls to each applicable Premium Rate Service and/or other End User Service and/or Non Geographic Service delivered to and received by a Number at the rate and in the amount set out on the Order Form or in the Tariff.

(b) Following the end of each calendar month, the Company will submit a statement to the Customer setting out the number and duration of all such calls delivered and received by the Customer in respect of Premium Rate Services and/or other End User Services and/or Non Geographic Services. Following receipt of the statement the Customer shall submit an invoice to the Company in the amount shown as owing on the statement, or where agreed by the parties (as stated on the Order Form or otherwise), the Company shall implement a self-invoicing process on behalf of the Customer. The Company may set-off the Call Commission against any Charges or other amounts due to the Company. Where it is agreed the Company shall self-invoice, the Customer confirms that it shall not issue VAT invoices in respect of Call Commissions due to the fact the Company will be self-invoicing. For the avoidance of doubt, the Company shall not self-bill upon the cessation of the Customer's right to receive Call Commissions. The Customer undertakes to inform the Company promptly in writing in the event of any change, reissue or cancellation of its VAT number or a transfer of any part of the Customer's business as a going concern.

(c) All Call Commissions invoiced by either party hereunder are exclusive of VAT and shall be paid together with VAT at the appropriate rate.

(d) The Company shall not pay Call Commissions in respect of any call which it reasonably believes may have originated outside the United Kingdom.

(e) Call Commission shall not be payable on invoice balances of £10 or less (or such other sum as notified to the Customer by the Company in writing from time to time). Invoice balances shall not roll over from one month to the next.

(f) The Customer's Call Commission is a function of the number and duration of inbound calls to the relevant telephone number which will vary from day to day. Any predicted amount of Call Commission by the Company shall be an estimate only and the Customer acknowledges it has placed no reliance upon such estimate.

9.2.8 Except as stated otherwise in the Tariff or on the Order Form, for the purpose of calculating call charges:

- (a) all call charges will be rounded up to the next whole penny;
- (b) all call durations will be rounded up to the next whole minute;
- (c) all calls will be charged based on the time band within which the call commences (irrespective of whether the call ends in a different time band), such that calls commenced from and including:

(i) 6:00am but before 6:00pm (Monday to Friday) will be charged at "Peak" call rates (as identified in the Tariff);

(ii) 6:00pm but before 6:00am (Monday to Friday) will be charged at "Off-Peak" call rates (as identified in the Tariff);

(iii) 6:00pm on a Friday but before 00:00am on a Saturday, will be charged at "Off-Peak" call rates (as identified in the Tariff);

(iv) 0:00am on a Monday but before 6:00am on a Monday, will be charged at "Off-Peak" call rates (as identified in the Tariff); and

(v) 0:00am on a Saturday but before 0:00am on a Monday will be charged at "Weekend" call rates (as identified in the Tariff).

9.2.9 The Company will increase the monthly subscription Charges for the Network Services in April of each year following the Commencement Date by the increase (if any) in the Rate of RPI.

9.3 MAINTENANCE SERVICES

9.3.1 The Customer shall pay to the Company the Annual Support Charge in accordance with condition 10.3. Any invoices issued by the Company in respect of the Charges for Maintenance Services shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

9.3.2 The Company shall have the right to alter the Annual Support Charge from time to time by giving the Customer not less than fourteen days' notice.

9.4 CONSULTANCY SERVICES

9.4.1 Save where, and to the extent that, any Promotional Terms apply, the Charges for Consultancy Services will be as stated on the Order Form and are exclusive of VAT or any other tax or duty payable.

9.4.2 The Customer shall pay to the Company the Charges for Consultancy Services in accordance with condition 10.4. Any invoices issued by the Company in respect of the Charges for Consultancy Services shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

9.4.3 The Company shall have the right to alter the Charges for Consultancy Services from time to time by giving the Customer not less than fourteen days' notice.

9.5 VALUE ADDED TAX

All sums referred to under these Conditions, the Order Form, any Promotional Terms and any Service Specific Conditions are (unless otherwise stated) exclusive of Value Added Tax (VAT) and any taxes of a similar nature which may from time to time be introduced, which will be payable at the rates ruling at the date of the relevant invoice.

9.6 TEMPORARY SERVICES

If the Customer orders a temporary Service, the Company may charge the Customer for any supplementary charges incurred, plus the line rental (if any) in advance for the whole period of the temporary Service. Other Charges as detailed in the Contract still apply as appropriate.

10. INVOICING AND PAYMENT

10.1 EQUIPMENT

10.1.1 Unless otherwise stated on the Order Form, a deposit equal to at least one half of the Price is payable by the Customer at the time of the placing of the relevant order and the balance of the Price as defined in condition 9.1.1 is payable immediately upon completion of Delivery (subject to condition 4.1.5). Any delay by the Company in invoicing the Price shall not prohibit the Company from raising an invoice at a later date in respect of the same nor shall it relieve the Customer of liability to pay for the same.

10.2 NETWORK SERVICES

10.2.1 Subject to condition 10.2.2, the Customer shall be invoiced monthly in arrears by the Company and shall pay the Charges by Direct Debit within ten days of the date of the invoice (unless otherwise expressly agreed with the Company and set out on the Order Form).

10.2.2 Line rental is payable quarterly in advance, unless expressly agreed in writing by the Company.

10.2.3 Where the Company is notified by PhonepayPlus that:

(a) any sums payable by the Customer to PhonepayPlus or to any compensation fund or bond established by PhonepayPlus have not been paid; and/or

(b) the Customer or any Information Provider is in breach of the Code;

the Company may withhold all sums due to the Customer until the Company has been notified by PhonepayPlus that all such sums, fines, administrative charges or other sums payable to PhonepayPlus under the Code have been paid in full or any breach has been remedied, and if requested by PhonepayPlus the Company may pay such sums to PhonepayPlus in settlement of amounts owed to PhonepayPlus. In the event that amounts are paid by the Company to PhonepayPlus to settle amounts owed by the Customer then such amounts shall be deducted from any amounts owed by the Company to the Customer.

10.2.4 Where the Customer is a Small Business Customer, then unless otherwise stated on the Order Form, in the event of any omission or delay by the Company in invoicing the Charges for Network Services in accordance with the Contract ("**Delayed Charges**") the Company shall not be prohibited from invoicing the Customer (and the Customer shall continue to be liable to pay the Company) for Delayed Charges, provided that such Delayed Charges are invoiced no later than:

(a) the fourth monthly invoice after the month in which the Delayed Charges were incurred by the Customer (where the Customer is invoiced monthly for the applicable Charges); or

(b) the next invoice after the invoice on which the Customer should have been invoiced for the Delayed Charges in accordance with the Contract (where the Customer is invoiced quarterly or less frequently than quarterly for the applicable Charges).

10.2.5 Unless the Customer is a Small Business Customer (in which case see condition 10.2.4), any omission or delay by the Company in invoicing the Charges for Network Services shall not prohibit the Company from raising an invoice at a later date in respect of the same nor shall it relieve the Customer of liability to pay the same.

10.3 MAINTENANCE SERVICES

10.3.1 Unless otherwise stated on the Order Form, the Customer will pay the Annual Support Charge to the Company by Direct Debit (to such account as the Company may designate for that purpose) in advance of the relevant period as set out on the Order Form.

10.3.2 Where the Company has agreed to raise an Annual Support Charge annually, the Customer will pay the charge in advance of the Commencement Date and annually thereafter upon each anniversary of that date. Any delay by the Company in invoicing the Annual Support Charge and/or Additional Charges shall not prohibit the Company from raising an invoice at a later date in respect of the same nor shall it relieve the Customer of liability to pay for the same.

10.4 CONSULTANCY SERVICES

10.4.1 Unless otherwise stated on the Order Form, the Customer will pay the Charges for Consultancy Services to the Company by Direct Debit (to such account as the Company may designate for that purpose) in advance of the relevant period as set out on the Order Form.

10.4.2 Where the Company has agreed to raise Charges for Consultancy Services annually, the Customer will pay the charge in advance of the Commencement Date and annually thereafter upon each anniversary of that date. Any delay by the Company in invoicing the Charges for Consultancy Services shall not prohibit the Company from raising an invoice at a later date in respect of the same nor shall it relieve the Customer of liability to pay for the same.

10.5 If payment of any sum payable to the Company is not made on or before the due date, the Company shall be entitled to charge interest thereafter on such sum at either the rate of four per cent per annum above the current base rate of The Royal Bank of Scotland plc from time to time or, if higher, such rate as the Company would be entitled to claim under the Late Payment of Commercial Debts (Interest) Act 1998 (such interest being deemed to accrue from day to day and being compounded on the last day of each calendar month) from the due date until the date of payment whether before or after judgment.

10.6 Unless e-billing is expressly not required on the Order Form, invoices will be made available for download by the Customer and the Customer will be notified at the e-mail address set out on the Order Form that the invoice is ready for downloading. Where e-billing is expressly not required on the Order Form, the invoice may be sent to the registered address of the Customer (or the address of the Customer) at an additional cost to the Customer as set out in the Tariff.

10.7 If the Company is unable, for whatever reason, to recover any sum due under the Customer's account within four days following the due date for payment, the Company reserves the right to forthwith suspend all or any of the Services.

10.8 If the Customer's account remains unpaid (in any part) the Company may require a security deposit of three times the average monthly invoice or payment in full for the next twelve months before the Company will reinstate the Service.

10.9 If the Customer's account remains unpaid (in any part) for a period of thirty days after the original due date for payment, the Services may then be terminated by the Company.

10.10 Without prejudice to the Company's other remedies, if the Customer's account remains outstanding for any reason after the original due date for payment, then:

10.10.1 the Customer will be charged an administration fee for each piece of correspondence in connection with the recovery of the overdue amount. The Company may also charge the Customer a fee where it suspends a Network Service for non-payment; and

10.10.2 the Company reserves the right to refer the outstanding account to a debt collection agency. If the Company instructs a debt collection agency to collect payment (including interest and late payment charges) on its behalf the Customer must pay the Company's costs payable to the agency, who will add the sum to the Customer's outstanding debt.

10.11 The Customer will ensure that the name of the account holder is the same as the name on the payment details provided.

10.12 If the Customer cancels an active Direct Debit instruction once a Contract has commenced, an additional administration fee will be

added to the monthly invoice of £3.50 (or such other amount as may be notified to the Customer by the Company from time to time) until the Direct Debit is reinstated. The Company also reserves the right to charge the Customer a Direct Debit cancellation fee at its then applicable rate.

10.13 The Company may, without notice, withhold any payments due to the Customer under the Contract or any other agreement between the Company or any other member of its Group and the Customer if:

10.13.1 the Company has reason to believe the Customer is in breach of the Contract; and/or

10.13.2 the Customer is (or the Company reasonably believes that the Customer is) conducting its business or using a Service illegally or unlawfully (including without limitation in breach of the Code or any OFCOM requirements) or for an illegal or unlawful purpose; and/or

10.13.3 the Company has received notice from another network operator that payment will be withheld in respect of calls and the Company has satisfied itself on reasonable grounds that such event has occurred. The Customer will not be entitled to any payment of Call Commission in respect of such calls; and/or

10.13.4 the Contract is terminated for any other reason; and/or

10.13.5 the Company has reason to believe the Customer is insolvent or is likely to become insolvent

10.14 If any sum owed by the Customer to the Company under the Contract or any other contract with the Company is not paid by the due date, the Company may deduct this sum from any payment or credit due to the Customer under the Contract or any other contract with the Company.

10.15 Payment of all sums due to the Company shall be made without any set-off whatsoever.

10.16 If the Customer intends to dispute any charge on an invoice, the Customer must do so in writing to the Company within fourteen days of the date of the invoice and provide the Company with all relevant information in support of the disputed charge. Where the disputed charge(s) amount to:

10.16.1 less than five per cent of the total charges listed on the invoice, the Customer will pay the full amount of the invoice; or

10.16.2 more than five per cent of the total charges listed on the invoice, the Customer must pay the remaining amount of the invoice that is not in dispute.

11. SITES

11.1 To enable the Company to fulfil its obligations under any Contract:

11.1.1 the Customer shall permit or procure permission for the Company and any other person(s) authorised by the Company to have reasonable access to the Sites, Equipment and any other relevant telephone system and other equipment and shall provide such reasonable assistance as the Company requests. If the Company is refused access or prevented from accessing the Site, for whatever reason, it will be relieved from all of its performance obligations under this Contract and shall have no liability to the Customer and the Customer shall hold the Company harmless in this regard.

11.1.2 The Company will normally carry out work by appointment and during Normal Working Hours but may request the Customer to (and the Customer shall) provide access at other times. In the event that the Customer cancels, reschedules or misses any pre-arranged

appointment, it shall be liable to the Company for any costs and expenses which the Company incurs as a result of such cancellation, rescheduling and/or missed appointment.

11.2 At the Customer's request, the Company may agree (at its sole discretion) to work outside Normal Working Hours and the Customer shall pay the Company's reasonable charges for complying with such a request.

11.3 The Customer warrants, represents and undertakes that there are adequate health and safety provisions in place at the Sites.

11.4 The Customer shall procure all consents, licences and permissions necessary from landlords or other third parties for the carrying out of preparation work, installation of Equipment and for the provision, use and operation of the Equipment and/or Services at the Sites (save to the extent the Company has agreed in writing to do it).

11.5 In the event that the Customer is not able to procure the necessary consent to provide the Services within ninety days from the Connection Date the Company will be able to terminate the Contract forthwith by giving the Customer written notice without any liability. If the Customer has not managed to procure the necessary consents and the Company has commenced work the Company may ask the Customer shall, on request by the Company, refund to the Company the cost of all such work (including, without limitation, staff costs and equipment costs) at its then current rates.

11.6 The Customer shall provide the Company with the site and building plans (to include full details of all internal cabling runs) of the Sites and provide the Company with full details of all other services in the vicinity of the proposed works.

11.7 The Customer is responsible for making the Site good after any work undertaken by the Company at a Site, including without limitation replacing and re-siting items and for re-decorating.

11.8 If the Customer is moving a Site, the Company must be informed as soon as is reasonably practicable so that suitable arrangements can be made to transfer the Customer's Services and Equipment. Unless otherwise requested, the Company, in addition to moving the Service and Equipment, will also endeavour (but cannot guarantee that it will be able, for example where the Customer moves to a different exchange) to retain the Customer's relevant existing telephone number(s). If the Company can transfer the Customer's existing number to the new Site the relevant existing Contract will continue under the same terms and conditions. If the Company cannot transfer the Customer's existing relevant number to the new Site, installation of a new line will be required at the new Site, or if the Customer requires any additional new lines, this will attract new line connection charges and a new Contract.

11.9 If the new installation or moving Site involves the visit of an engineer to facilitate the new installation, the Customer will be responsible for the costs incurred by the Company for the appointment of the engineer together with an administration fee in respect of any additional works required to be undertaken by the Company to complete the transfer of the Services and Equipment.

11.10 If the Customer moves Sites and leaves the Equipment for the new owner/tenant, the Customer is required to inform them that the relevant Service will be discontinued if the Company is not contacted by the new owner/tenant within seventy two hours for the purpose of entering into a new contract with the Company for such services and subject in any event to the agreement of such a contract.

11.11 If the Customer receives services from an alternative supplier at a new Site the Customer remains responsible for any contractual agreement the Customer has with such alternative supplier and for any liabilities the Customer may incur for terminating such agreement.

11.12 The Customer must identify asbestos contaminated areas at the Site prior to implementation and commencement of the works. In the event that the Company discovers asbestos contaminated areas then it will cease work until the asbestos is removed or the area is made safe for the works to resume. The Company shall have no liability for any delay which is as a result of asbestos contamination and the Customer shall hold the Company harmless in this regard. The Customer shall be responsible for the removal of all asbestos including the co-ordination of and all costs incurred in connection with the engagement by the Customer of a company which specialises in the installation of cables in asbestos contaminated areas.

12. LIMITATION OF LIABILITY

12.1 Unless otherwise stated in these Conditions (or any relevant Service Specific Conditions) the Company makes no warranty in respect of the supply of Equipment and/or Services and all other warranties which by reason of statute or other direction, regulation or governmental authority may be implied into a contract for the supply of the Equipment and/or Services are hereby excluded to the fullest extent possible, save for, and to the extent of, those warranties which cannot lawfully be excluded. If the Customer is a consumer, this shall be without prejudice to its statutory rights.

12.2 Subject to conditions 4.4.8, 12.3 and 12.5, in no circumstances shall the Company's liability, arising under or in connection with this Contract and whether in contract, tort (including without limitation negligence) misrepresentation, breach of statutory duty or otherwise, to the Customer in respect of one incident or series of connected incidents in any one year, exceed 110% of the Price paid for Equipment and Installation Services and/or the Charges paid for Services (as the case may be) for the relevant Equipment and Installation Services and/or Services to which the claim or claims relate in the twelve months prior to the date on which the claim or claims arose.

12.3 Subject to condition 12.5, under no circumstances shall the Company be liable in any event under or in connection with the Contract and whether in contract, tort (including negligence) misrepresentation, breach of statutory duty or otherwise for any:

12.3.1 loss of revenue;

12.3.2 loss of business;

12.3.3 loss of contracts;

12.3.4 loss of, damage to or corruption of data;

12.3.5 loss of anticipated savings;

12.3.6 loss of profits; or

12.3.7 indirect, consequential or special losses; whether or not the Company knew or ought to have known that such losses or damages might be incurred.

12.4 Neither party shall be liable to the other party for any breach of any provision of the Contract (whether in breach of contract, tort (including but not limited to negligence) misrepresentation, breach of statutory duty or otherwise) caused by any reason outside the reasonable control or responsibility of that party including, without limitation, in respect of Network Services supplied by the Company, the failure of any Carrier to provide network capacity (or any element

thereof) to the Company on which it was reliant for the purposes of the Contract, any Act Of God, terrorist attacks, inclement weather, accidental damage, vandalism, failure or shortage or power supplies, flood, drought, lightning or fire, strike, lock-out, trade dispute or labour disturbance, any act or omission of Government, highways authorities, or other competent authorities.

12.5 Nothing in these Conditions excludes or restricts either party's liability for:

12.5.1 death or personal injury resulting from that party's negligence or its employee's negligence (while acting in the course of their employment);

12.5.2 any fraud, fraudulent misrepresentation or fraudulent misstatement;

12.5.3 any indemnity given under the Contract; and/or

12.5.4 for anything for which the parties cannot at law limit or exclude their liability.

12.6 The Customer agrees that any cause of action that it may have against the Company and/or any of its Group members (including, its (or their) affiliates, directors, officers, agents, consultants and employees) must commence within two (2) years after the cause of action arose, otherwise, the Customer's cause of action is permanently barred.

13. CUSTOMER'S INDEMNITY

13.1 Without prejudice to any other rights of the Company, the Customer shall indemnify, keep indemnified and hold harmless the Company against all costs (including without limitation legal costs and the cost of enforcement (on a full indemnity basis)) liabilities, claims, damages, direct, indirect or consequential losses (including without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and like loss whether such losses are direct, indirect or consequential losses), expenses and/or judgments whatsoever, which it may suffer or incur, and arising from any:

a) breach by the Customer of any warranties, undertakings and/or representations given under the Contract and/or any failure to comply with any responsibilities and/or liabilities of the Customer set out in the Contract; and/or

b) injury and/or damage suffered or incurred by or to any of the Company's (or any of its contractor's) employees and/or equipment whilst on the Site.

14. TERMINATION AND CONSEQUENCES

14.1 Subject to conditions 14.4, 14.5 and 14.6 below and without prejudice to any specific termination rights set out elsewhere in these Conditions, the Customer shall not be entitled (once an order has been accepted by the Company) to change or cancel an order:

14.1.1 at all in respect of Equipment; or

14.1.2 except for termination in accordance with the conditions relating to the serving of notice to terminate the relevant Services (which shall take effect in accordance with the applicable conditions), unless otherwise agreed in writing with the Company.

14.2 Subject to condition 14.6, in the event of any termination by the Customer of the Contract (in whole or in part), the Customer shall indemnify the Company in full against all loss (including, but not limited to, all losses incurred by the Company as a result of the Customer terminating the Contract before the end of the Minimum Term or where the Contract has continued beyond the Minimum Term before the end of the relevant notice period, which will include a minimum payment to the Company of the amount of the

outstanding line rental charges, any Monthly Minimum Call Spend, Annual Support Charges, contracted call bundles, subscriptions or otherwise that would have been paid by the Customer had the Contract continued for the Minimum Term and/or the relevant notice period (as the case may be)), costs, damages, charges (including, but not limited to, any liability for Network Services transferred from third parties) and administration charges (of a minimum of £300 in respect of the termination of the supply of any or all of the Equipment which is the subject of a Contract) and expenses incurred by the Company as a result of such changes or cancellation.

14.3 Without prejudice to any other rights of the Company under these Conditions or otherwise, the Company shall be entitled at any time and for any reason whatsoever to terminate any and/or all Contracts for Services on the giving of not less than thirty days' written notice to the Customer, without further liability to the Customer. For the avoidance of doubt, in the event that the Company terminates a Contract under this condition 14.3, the Customer's liability to pay the Charges for Services shall end on the date of termination of the relevant Contract and the Customer shall not be liable to pay for the Charges applicable for the remainder of any Minimum Term applicable in respect of that Contract.

14.4 A Contract may be terminated forthwith by either party by notice in writing if the other party materially breaches its obligations under these Conditions (including without limitation non-payment of charges due) or any Service Specific Conditions and in the case of breaches which are capable of remedy such party fails to remedy such breach within fourteen days of written notice by the other party of what the breach is and requesting that the breach is remedied. Without prejudice to the generality of the foregoing, the Company shall be permitted to terminate the Contract forthwith on notice to the Customer in the event that the Customer is in material breach of any other contract under these Conditions (as in force from time to time) and which breach, if capable of remedy, has not been remedied within fourteen days of written notice by the Company of what the breach is and requesting that the breach is remedied.

14.5 Notwithstanding anything to the contrary expressed or implied in these Conditions, either party (without prejudice to its own rights) may terminate all Contracts forthwith in the event that a liquidator (other than for the purpose of solvent amalgamation or reconstruction) trustee in bankruptcy, administrator or receiver is appointed in respect of the whole or part of the assets and/or undertaking of the other party or the other party enters into an arrangement or composition with its creditors, or other circumstances arise which entitle a court or creditor to appoint a receiver or administrator or to make a winding up order (save as in respect of a solvent reconstruction of such relevant party's group of companies).

14.6 Where the Customer is a Small Business Customer, the Customer may cancel the provision of Network Services at any time prior to the commencement of the provision of those Network Services, without any form of charge or compensation being required to be paid to the Company.

14.7 The Company shall be entitled to terminate the Contract forthwith in circumstances where it also has a right to suspend the provision of the Services pursuant to condition 5.6.

14.8 The termination or expiry of the Contract shall be without prejudice to any rights or liabilities which have accrued prior to such expiry or termination. Any provision of this Contract which expressly

or by implication is intended to survive, shall survive the termination or expiry of the Contract.

14.9 Any implied right to terminate for convenience that the Customer may have under applicable law is hereby expressly excluded.

14.10 For the avoidance of doubt, in the event of termination of the Contract for any reason, the Customer shall not be entitled to a refund of any pre-paid sums (including, without limit, subscription, rental and/or maintenance charges) whether such sums are attributable to the period before, including or after the date the Contract terminates.

15. SOFTWARE

15.1 Where the Company provides software to the Customer to enable the Customer to use the Services ("**Software**"), the Company will grant the Customer a non-exclusive, non-transferable licence to use the Software solely for the term and purposes of the Contract (and to extent necessary to use the relevant Services). If required by the Company, the Customer shall sign such end user licence agreement as may be reasonably required by the owner of the copyright in the Software to protect the owner's interest in that Software and for the Customer to be able to use the Software.

15.2 Except as permitted by applicable law or as expressly permitted under the Contract the Customer shall not de-compile reverse-engineer or modify the Software, or copy the relevant manuals or documentation.

15.3 The Customer acknowledges and agrees that it shall comply with all Software licence terms and conditions which are embedded in the Software in a click through form or otherwise.

15.4 If the Services involve End Users accessing Software and/or Network Services then all End Users shall provide the Customer with such necessary registration details as are to be agreed between the Company and the Customer and which will be a minimum of the End User's full name and email address and all End Users shall be obliged to agree to the Customer's acceptable use terms and conditions as published by the Customer from time to time. The Customer acknowledges and accepts that if the End User does not provide this information and does not agree to the acceptable use terms and conditions then the End User will not be able to connect to the Software and/or the Network Services.

15.5 The Customer acknowledges and accepts that the Company shall have no liability to the Customer in the event that the End User is unable to access the Software and/or the Network Services due to failure to provide the necessary information set out in clause 15.4 and failure to agree to the acceptable use terms and conditions.

16. CALL MONITORING

The Customer agrees that the Company may monitor and record calls made to or by the Company by or to the Customer (and/or any of their employees or personnel), for training purposes, to improve the quality of its customer services and to assist with complaint handling. The Customer undertakes to make its employees and personnel aware of the rights reserved by the Company under this condition.

17. CONFIDENTIALITY AND USE OF CUSTOMER'S INFORMATION AND DATA FAIR PROCESSING NOTICE

17.1 The Company and the Customer will keep in confidence any information of the other; whether written or oral, of a confidential nature obtained under or in connection with the Contract except to the extent any disclosure is required by law. The Customer and the

Company will not, without the consent of the other, disclose such information to any person other than:

17.1.1 their employees, contractors or professional advisers who shall require the information in order for the Customer or the Company to fulfil its obligations under the Contract; or

17.1.2 in the case of the Customer, its users to the extent that they are required to use or access the Service.

17.2 Information shall not be treated as confidential if it is:

17.2.1 lawfully in the public domain; or

17.2.2 lawfully in the possession of the Customer or the Company before disclosure from the other has taken place; or

17.2.3 obtained from a third person who is entitled to disclose it; or

17.2.4 replicated independently by someone without access or knowledge of the information.

17.3 If the Customer receives a request under the Freedom of Information Act 2000 which encompasses any information provided to the Customer by the Company in connection with the Contract the Customer will notify the Company immediately of the request and give the Company at ten Business Days to make representations before releasing the requested information (save to extent otherwise required by law).

17.4 The Customer acknowledges and agrees that the Company may use Personal Data (as defined within the Data Protection Act 1998) and/or confidential information obtained from the Customer during or following the completion of the Order Form or as a result of the Customer's use of the Equipment or Services and/or arising from or out of the provision of the Equipment or Services, for the following purposes:

17.4.1 administering the Customer's account (including, without limitation, arranging finance with lessors of the Equipment, liaising with any Carriers who are relevant to the provision of the Network Services, and sharing the data with members of the Company's Group);

17.4.2 notifying the Customer of changes to the Service, including (without limitation and unless stated otherwise on the Order Form) contacting the Customer regarding potential and/or actual enhancements to or offers in relation to the Service;

17.4.3 enabling the Company to supply the Service and Equipment to the Customer; and

17.4.4 for invoicing purposes.

17.5 The Company will not pass Personal Data obtained from the Customer to any third parties for marketing purposes but may send the Customer information about the Company's (or any member of its Group) own products and services which it considers may be of interest to the Customer, unless the Customer specifically requests in writing that the Company does not do so on the Order Form.

17.6 If the Customer wishes to have details of the credit reference or the fraud prevention agencies the Company uses to obtain information about the Customer, or receive a copy of the information the Company holds about them, it may do so by submitting a request in writing for a copy of the information to the Company's Data Controller at Daisy House, Lindred Road Business Park, Nelson, Lancashire, BB9 5SR, stating the Customer's full name, address, account number and phone number. The Company may charge a reasonable administration fee for providing such information.

17.7 The Customer warrants, undertakes and agrees that it will grant or procure from its employees and other personnel such consents to the use of Personal Data (referred to above) as may be

necessary to enable the Company to use such data for the purposes described in this condition 17.

17.8 Where a party who has disclosed confidential information so requests and at the end of the Minimum Term or following termination of the Contract for whatever reason, each party who has received any confidential information of the other party shall without delay:

17.8.1 Return to the other party, in a form capable of delivery, anything containing or recording the confidential information, whether in the form of documents, computer records, audio tapes, video tapes, CD Roms or any other media; and

17.8.2 certify in writing that any such confidential information not returned has been destroyed or made permanently unusable;

Save where continuing use or disclosure of such confidential information is necessary in order for the Company or any member of the Company's Group to exercise its rights under the Contract or where the other party is required to maintain such confidential information pursuant to any Relevant Laws.

18. CHANGES TO THE CONDITIONS, SERVICE SPECIFIC CONDITIONS AND CONTRACT

18.1 The Company may change the Conditions and/or Service Specific Conditions at any time and will publish any change in line with condition 18.2.

18.2 The Company will publish any changes to the Conditions and/or Service Specific Conditions online at www.daisygroup.com (or at such other URL as is notified to the Customer by the Company from time to time):

18.2.1 at least thirty days before the change is to take effect for changes that may be of material detriment to the Customer; and

18.2.2 as soon as is reasonably practical in the circumstances prior to the changes taking effect, for all other changes.

18.3 If the Customer wishes to object to any proposed change which is of material detriment to the Customer, the Customer must notify the Company in writing (addressed to Customer Services, Daisy Communications Limited, Daisy House, Lindred Road Business Park, Nelson, BB9 5SR) within thirty days of publication of the proposed change, otherwise the Customer will be deemed to have accepted the proposed change. For the avoidance of doubt, the service by the Company of any notice in accordance with condition 18.2 shall not constitute either acceptance of or an admission by the Company that any proposed change is of material detriment to the Customer, nor shall the service of notice by the Customer under this condition 18.3 constitute or be deemed to constitute evidence that the relevant change is of material detriment to the Customer.
